

A heart-shaped floral arrangement is centered on a plain white background. The heart is formed by a dense collection of flowers. The left and bottom-left sides of the heart are composed of small, delicate pink cherry blossoms on dark stems. The right and top-right sides are dominated by larger, multi-petaled roses in various shades of pink, from light blush to deep magenta. The text "Hello october" is overlaid in the center of the heart in a light pink, italicized, sans-serif font. The word "Hello" is on the top line and "october" is on the bottom line, both in lowercase. The overall aesthetic is soft, romantic, and celebratory.

*Hello
october*
